FULL SCRIPT

Hello, my name is Nur Qurratu'Aini binti Sabri, a final-year Computer Science diploma student at UiTM Tapah, Perak. I am passionate about database management, web development, and mathematics with proficiency in SQL, HTML and CSS. I successfully collaborated on a group project to develop a system, demonstrating my teamwork skills. In addition to my technical skill, I enjoy playing badminton and netball which have taught me the importance of teamwork. My part-time job experiences have further developed my work ethic and time management abilities. I m eager to apply my skills and enthusiasm to future opportunities in the tech field.
